### **DRAFT CLEANUP AND ABATEMENT ORDER AND DRAFT REVISED MONITORING AND REPORTING PROGRAM, CLARK'S SEPTIC SERVICE, LLC, STANISLAUS COUNTY**

Enclosed are a draft Cleanup and Abatement (C&A) Order and a draft revised Monitoring and Reporting Program (MRP) for the subject facility. The purposes of the draft C&A and the draft revised MRP are to ensure compliance with Waste Discharge Requirements Order No. 93-047 and to assess groundwater impacts related to the discharge. The C&A sets forth a specific scope of work and enforceable time schedule for compliance. Please review these tasks and timelines and carefully assess your ability to comply.

In order to conserve resources, paper copies of the referenced documents may not accompany this letter. Interested persons may download the documents from the Regional Water Board's Internet website at <http://www.waterboards.ca.gov/centralvalley/tentative/index.html>. The 1991 Standard Provisions and Reporting Requirements may be obtained at [www.waterboards.ca.gov/centralvalley/adopted\\_orders](http://www.waterboards.ca.gov/centralvalley/adopted_orders). Copies of these documents can also be obtained by contacting or visiting the Regional Water Board's office at 11020 Sun Center Drive, #200, Rancho Cordova, California 95670-6114, weekdays between 8:00 a.m. and 5:00 p.m.

Any comments or recommendations you may have concerning the enclosed draft C&A Order and draft revised MRP should be submitted to this office by **5 July 2007**. If you have any questions regarding this letter or the enclosed documents, please contact Melissa Hall at (916) 464-4757.
